

As per the decision of the Istanbul Beykent University Senate, starting from the Spring Semester of the 2021-2022 Academic Year, it has been deemed appropriate not to require the ALES, GRE, or GMAT exam scores for admission to Thesis-Based Masters and Doctorate/Proficiency in Arts programs for foreign nationals and Turkish citizens who have completed their undergraduate education entirely abroad, by Article 35, Paragraph 2 of the Higher Education Council (YÖK) Regulation on Graduate Education and Training. In cases where candidates in this category do not provide exam results during their application, their ALES score will be evaluated as 55 for admission purposes.
